JOKES

Three-year-old Willie
had taken his mother's pow-
der puff and was making him-
self up, as he'd seen her do.
His five-year-old sister came
in, looked at him for a hor-
rified moment, then snatched
the puff from his hand.
"Only ladies use powder," she
scolded. "Gentlemen wash
themselves!"

Two golfers had been
searching for an hour for
their balls, lost in the grass.
As they were about to give up,
a kindly old lady who had been
watching their struggles smil-
ed at them and said, "Would it
be cheating if I told you
where they are?"

Laundry window sign:
We do not tear your clo-
