Guests of the Everett Kaczmareks were Mr. and Mrs. Norb Nashan and children Corrie and Dorrie from Chicago...Mr. and Mrs. John Stack and children Debbie, Donna, Brian from Niles, Ill.,...Mr. and Mrs. John Gutowski from Gary, Ind. and Mr. and Mrs. Alex Kolaski from Michigan City, Indiana. All had a wonderful time at the lake.

Mrs. Kaczmarek says "NEVER AGAIN!!" will there be a trip made around the lake on a rubber air mattress. Rita and Zita decided it would be so-o-o- relaxin' to float around the lake on the mattress. Across the lake, Zita noticed a "slow leak". Meanwhile back at the cottage, Mrs. Kaczmarek was watching the trip with binoculars...she thought Zita was drowning when she slipped off the float. The trip was completed in 2½ "anxious" hours and when the girls arrived home... WOW.. what a lecture!

The Taylor Snows and Rick and Mark Nelson from Fullerton, California, will be at Mrs. F. R. Reed's cottage (# 170) from August 15th to Labor Day. Rick and Mark are sons of Nan Reed Nelson. Fred Reed Jr. will also be home from Flint on vacation. BIG FAMILY POW-WOW!!

Guests at the I. T. Bowers' cottage # 307 were Mr. and Mrs. John Kaiser from Sandusky, Ohio, also their son Terry from Webb Air Force Base in Texas. He had a month's vacation which was over all too soon. Mr. and Mrs. Kaiser left on Sat. to visit with relative in Elkhart and Osceola. Terry left on Sunday afternoon and we wish him the best of luck...am sure he hopes he has better luck than some of his experiences while at the lake. He got up on Thursday morning to find that the sun had managed to strike his car just right and the back window of his Corvair was shattered. The whole neighborhood took a lesson and will leave a vent open in their car from now on. A couple of flat tires also added to his woes. He said he really had a wonderful time in spite of it all

Sandy Murray, Becki Deer and Diane Waltman of Niles were Tuesday afternoon guests of Kathy Machalleck. Kathy's house guests from Wed. to Sun. were Diane Waltman and Trina Freece of Niles.

Jack Desmond, father of Bert, was also a guest on Fri. and Sat. making a surprise visit on his son while on a business trip in this area for Kaiser Engineers, before flying to his home in Los Altos, California. Traditional birthday cake and ice cream ended a pleasant dinner which was served on Saturday in honor of John Machalleck. Even Marianne sang on key--at least with the other guest's voices... it seemed so.

Merrill Crull and Mrs. Tim Shugren and family were Sunday guests at the Crull family cottage.

Mr. and Mrs. Charles Bliss of Edwardsburg called at the home of Mr. and Mrs. Frank Neterer last Sunday.

One unsung hero in last Sunday's boat parade was Brian Hague. He not only was responsible for the exhaust of the X-15 but ended up steering the boat all around the lake from his cramped position "under the sky". The steering cable broke at the start of the parade. OUR HERO!
