DO YOU KNOW WHERE YOUR BIRCH BARKER IS BEING PRINTED?

The BLYC wishes to thank Chet and Anne Waggoner, cottage 305 for the use of their garage. (sometimes it is necessary to use their electricity too when the crew has to work overtime.

A WELCOME PORT DURING THE STORM

was the Bud Rieth's cottage #301 . The Pleasure Boating Course was to have been held at the Clubhouse but as you know this was an impossibility. We sure do thank you, Bud and Louise, for your gracious hospitality in opening your home to our young boaters.

THE SHERIFF'S DEPARTMENT

would like to remind ALL BOAT OPERATORS of two new laws this year. Those are..... (1) ALL boats require Coast Guard Approved life saving devices for everyone on board (ski belts are not Coast Guard Approved) and (2) boats pulling skiers require a 170 degree rear view mirror AND an observer.

ONLY FIVE MORE WEEKS

BIRCH LAKE'S ANNUAL BOAT PARADE WILL BE HELD Aug. 11th

ONLY FIVE MORE WEEKS..... HURRY AND PLAN YOUR FLOAT.... TROPHIES FOR THE WINNERS.....

A R T I F I C I A L R E S P I R A T I O N

START IMMEDIATELY - SECONDS COUNT

- (1) LAY THE PERSON ON HIS BACK - turn his head to the side. Clean out his mouth and make sure his tongue is not back in his throat. Then straighten his head...put your hand under his neck, lift up.
- (2) RAISE JAW - pull the chin up until the head is tilted back fully. This is absolutely essential for keeping the air passage straight and open
- (3) PROVIDE AIR - put your mouth tightly over his. Pinch his nostrils shut. Now exhale. Hard enough to make his chest rise.
- (4) Remove your mouth. If you don't hear the sound of returning air, check head position. Breathe again. If you still don't hear anything, turn him on his side and slap between shoulders to dislodge foreign matter. Repeat breathing, removing your mouth each time so the air can escape.

For babies and very young children cover both nose and mouth tightly with your mouth. Take relative short breaths, about 20 a minute. For adults, breathe vigorously about 12 times a min.

- (5) REPEAT BLOWING CYCLE. DON'T GIVE UP Don't stop until he starts breathing himself or until a doctor gets there. Practise these steps with your child. First let him be the victim. Then let him "save you".

SOME IMPORTANT ADVICE

Never leave a small child alone in any kind of water. Not even for a few seconds. He can drown in just two inches. And he doesn't realize the danger.

By the time a child is three or four he should have swimming lessons from a qualified person. And should know these water safety rules: DON'T SWIM ALONE at unsupervised beaches or pools, including small backyard pools. DON'T JOKINGLY CALL FOR HELP in the water. DON'T PANIC OR THRASH ABOUT when you get a cramp. SAVE YOUR ENERGY. Float till help arrives.

JR. YACHT CLUB IS SPONSORING A HAYRIDE PARTY ON JULY 20th.

More news about this in the next Barker.

SHORELINE ACTIVITIES AND FAMILY NEWS

Petty Officer 1st Class John F. Budzinski is serving as fire control technician aboard the USS Richard L. Page in Boston. He recently received a commendation for outstanding academic achievement while enrolled at the U.S. Naval Guided Missiles School, Dam Neck, Va. maintaining an average of

96.59. He entered the Navy in December, 1962.

The Starr Wentworths at # 306 were pleasantly by their son Dennis, his wife and children Brad and Kim's arriving a few few days earlier from California than they had expected.

Last weekend guests of the John Machallecks were her brother Carl Anderson and his wife Margaret of Niles. What started out as a visit with his mother, Mrs. Ellen McDowell, who is visiting her daughter Arlene Machalleck, turned out to be a beautiful weekend stay filled with swimming, boating, sailing and just plain loafing.

Also coming for the weekend were Steve Machalleck and family of Kalamazoo. He and his wife Pat and their three little girls Stacy, Gina and Paula had to come out to welcome home his brother Mike, who is just out of service and introduce him to 5 month old Paula. Mike enjoyed getting reacquainted with all of them and it wasn't long before Stacy and Gina were giving "Uncle Mike" a good workout.

On Sunday, June 16th, Kathy Machalleck, cottage 51, flew to Williamsburg, Virginia to meet her brother Mike and sight-see in that area before driving home with him 4 days later. Mike, a Lt. in the Navy, has just finished almost 5 years service. Stationed last at the Naval Weapons Station in Yorktown, Va., he served his duty on the destroyer U S S Osbourn.

Arriving here Thurs. (in time for supper) with bag and baggage, which includes a 20 ft. Flying Dutchman sailboat, he doffed his clothes, put on swimming trunks and is set for a month's leisure broken only by a few job (ugh) interviews. Incidentally, Kathy had a wonderful trip.

Joanne Scolma was guest of honor at Toni Kings for a linen shower on June 27th. Joanne graduated from Calvin College May 25th and is being married on July 12th in Grand Rapids to Robert Postema. Toni will be one of Joanne's bridesmaids. For those that remember the Scolmas and haven't heard much from them lately...Rhynier still works for the Dept. of Conservation. Wilma is teaching for the Hasting school system and Rhyna graduated from Hastings High and is going to Galvin College this fall. Rhyna is also engaged.

Mr. and Mrs. (Bruce and Juanita) Harlon and children Linda and Robert and their dog Kurt of South Bend are the new residents of cottage 50, formerly owned by Dr. and Mrs. Cecil Dixon who have moved to Omega, Wisconsin. We, the Machallecks, their neighbors on the south side, welcome them and look forward to enjoying and sharing their friendship.

Kathleen Klapporf, Karen and Kevin Bernaciak are spending part of their vacation with Grandpa and Grandma Bernaciak.

Guests at the Gohn cottage Sun. were their daughter Dorothy and friend Laura Zwier of Chicago... their son George and family of Cassopolis, who just returned from a trip to California, Mr. and Mrs. James Holtz of Cassopolis and Mrs. Gohn's brother Everett Russey and family of Kalamazoo.

Ona Lee Speck, cottage 400, left Thursday, June 27th, from Detroit for Neuhoef, Germany where she will be living with Mr. and Mrs. Gunther Peamme and their four daughters. Ona was chosen by the Climax-Scotts High School to be their representative in the Youth for Understanding Program.

The Personnel Dept. of Clark Equipment Co. were guests of the Caenepeels at Wee Wood (cottage 310) on Sunday, June 30.

The Ed Partridges of Cincinnati, Ohio will be visiting with the Caenepeels July 3, 4 and 5th as the last stop on their return visit from the west. Jody Caenepeel will return to Cincinnati with Patti Partridge for a week's vacation.

If you thought you saw a small sailboat "piggy back" on a speed boat you really did.... because Jim Shuman and Luann Wardle couldn't get out of the Cove to sail. Bud Rieth and Don Wardle assisted them, but decided they need lessons too.

Luann Wardle was hostess at a potluck dinner held at the home of her aunt, Mrs. A. R. Rieth. Guest of honor was Rick Powell of Gary, Ind. Others attending were Kris Dilley, Janice Raifsnider, Rose Lusson Jim Shuman, Bob Lewis and Steve Reed all of Three Rivers, Mich. The weather was terrible but who can wait for a nice day? So they swam and skied anyway.

Bill Echols was in Chicago June 22-27 for the Music Trade show. Gussie spent the last three days there too. On Fri. the 28th the Echols entertained guests from Connecticut and Tulsa, Okla. who had attended the convention in Chicago. Bill's cousin, Bruce Beckwith of Claremont, California is spending two weeks with the Echols. He flew in to O'Hare field from Claremont on the 27th.

The L. A. Milnes entertained for 5 days their grand-daughter Carol and her husband, Mr. and Mrs. Bill Bolster and their baby daughter Lori Lynne of Sacramento, California. The Milne's great grand-daughter Lori Lynne is 10 months old. Her daddy Bill is in the U. S. Air Force and had a 30 day leave. How wonderful to be able to spend it with their grandparents.

The Wayne Milnes vacationed for two weeks in the Grand Tetons, Yellowstone Park and Rocky Mountain Nat'l. Park. They returned by way of Colorado Springs and Pikes Peak.

The Harris' from Pennsylvania are sure having fun...had three good fish fries...trout are really biting. They are looking forward to entertaining their guests Dr. T. J. Harris and family and Jon P. and family.

Howard and Virginia Andersen spent last week with Hazel and Howard Jr. Jean and Jim Foote joined them over the weekend on a cruise to Put In Bay on Middle Bass Island aboard Howie Jr.'s cabin cruiser the "Rainy Sue". Side trips to some of the nearby islands was part of the fun. Howie III and Tracey Andersen returned to Birch Lake with Grandma and Grandpa.

Fran and Russ Holder spent the weekend with her parents, the I. T. Bowers at cottage # 307. Mr. and Mrs. George Frick of South Bend came on Sunday afternoon. The lake with its white caps finally quieted down for a pleasant leisurely ride on the pontoon.

Marianne and Bert Desmond of Ottawa, Illinois spent the week end at her parent's cottage. She is the former Marianne Machalleck.

Dr. and Mrs. Howard Lahr left Mon. for a visit with their son and family in Pennsylvania. Their son Philip, his wife and children from California will meet them there.

The Cranmers at #311 were happy to have their son Harold and family visit with them Sunday. The Caenepeels joined them in the evening for a fishing party on the pontoon. Incidentally, when it came time to light the lantern, the bugs joined in the fun too.

It's time to say "good bye" for this week. Don't forget to mark your calendars NOW for coming events.... Junior Snipe District III Regatta on July 12 to 14 weekend.... Garage Sale on July 27th.... Big Boat Parade on August 11th.... Annual BLYC Dinner on August 17th. and remember to patronize our advertisers.

Sharon Huston and her friend Gayle Papach of South Bend visited her Grandma Huston and Aunt Inez for several days. The weather was ideal giving the girls a chance to swim, water ski and go boating.

Fred and Mary Marty, neighbors in Mishawaka, spent Saturday evening and Sunday with Bill and Mary Olson. Superb steaks and spareribs were cooked by the old-time chef..."you know whom".

Guest of Mike Machalleck at his parent's cottage is Miss Mary Lee Rowe of Gloucester Point, Virginia.

Mr. and Mrs. Lester Decker of # 355 entertained Don and Ruth Chapman (Mrs. Decker's sister) from Niles, Michigan and children LuAnn and Lynne before they leave for a trip to California. Also, Mrs. Marguerite Ramsay and son Don from Niles and Mrs. Ramsey's grand-daughter Becky from Tuscon, Arizona. Mr. and Mrs. Harold Procknow and family dropped in for a visit in the afternoon.

Guests of the Hillrings this past week were Mr. and Mrs. Edgar Fry of Royal Center, Indiana....Mrs. Neil Cochran, Tracy and Lori of Harrisburg, Pa. and Mr. and Mrs. Lloyd Hillring of South Bend.

The Hillrings attended the Van Lue reunion held in South Bend last Sunday.

The annual Cleland reunion was held at the Richard Cowens, cottage # 354 last Sunday. Thirty three family members enjoyed the good company, good food and good weather.

Mr. and Mrs. Lewis Cleland with friends Mr. and Mrs. Dan Thompson and Mr. and Mrs. Sidler from Laporte, Indiana will be staying at the R. L. Cowen cottage for the week.
