SKI SHOW COMMENTS

Last Saturday's first ski show proved what we had suspected all along--we have a lot of skiing talent! With the trick skiing of turnarounds, ski seats, barefooting and the pyramid, our skiers have inspired their fellow skiers to try new things and entertained the rest of us. A special thanks for their efforts should go to Tim Burchell and Rick Doolittle.

ANNUAL DINNER

The many hungry souls who came to the annual dinner last week were treated to ever so many terrific dishes. Homemade noodles and beef, lasagna, meatballs, sauerkraut, a host of scrumptious desserts were only a few of the dishes enjoyed by all. There were so many "specialty" dishes that could be shared. Maybe next year we could have a column or even issue of the Barker for recipes from those willing to share. The square dancing following the meeting was really a family affair!

Although it is not generally
known, Bill King and Glen
Myers have been turning up the
fairways at Park Shore Golf
Club in Cassopolis. This re-
porter would be inclined to
suspect that they are getting
ready to put on an exhibition
match for our Birch Lake com-
munity. We should all be happy
to know these FINE ATHLETES who
might well take up the pro cir-
cuit.--If one of them could
learn his right from his left.
I'm sure he could give Arnold
Palmer a run for his money.
Then too, this may be what they
are taking their distaff sides
with them each time they play.
LE and Bert have given them ex-
cellent directions for lo these
many years; it may well be that
they will get them both whipped
into shape for the 1970 Birch
Lake Golf Outing.

Nancy Asire of Kansas City spent
the weekend visiting her family.

Prompt action on the part of the
Vandalia Penn and Porter-Newberg
Volunteer Fire Dept's. saved the
new barn on the Crawford property
in Williamsville when fire broke
out in the old barn Friday noon.
A very large crowd was attracted
to the fire by the dense smoke
caused by the hay in the old
barn and was amazed by the prof-
essional manner in which the vol-
unteer firemen handled the situ-
ation.
