NEWS FROM AROUND THE LAKE

Cottage #267 has been ringing with the happy activities of Art, Katy and Kevin of Bryan, Texas as they visited Grandpa and Grandma Budzinski for a few days, along with their parents Mary Ann and Art Roach. Among the events being celebrated were Grandma's birthday on August 8 and the Roach's 9th wedding anniversary on the 15th. John Budzinski from Maynard, Massachusetts, has also been enjoying Birch Lake once again. On Sunday, August 12, the Budzinski's will have as their guests, Mr. & Mrs. Harry Fritz and family of South Bend. Tom Budzinski was awarded a merit scholarship to Indiana University at South Bend for the academic year 1973/74 to pursue his studies in the Division of Music where he will be starting his junior year.

Shortest vacation on record was set by Mike & Katha Machalleck this past week. Between jobs - Mike is starting as Controller for Pence, Dickens and Heeter of Mishawaka - they decided to leave Thursday morning for Grand Rapids to visit Katha's grandparents, then on to Lakeview to visit Grandmother Thornberry. Then on to Port Huron to visit a sorority sister and continue on into Canada and come home Saturday. You can imagine our surprise when they walked in at 11:30 Thursday night - yup-the same day - with two sleeping children. Trouble was they just wouldn't go to sleep where they were supposed to - at great-granma Thornberry's. So with the mission of showing them off to the 2 sets of Great-Grandparents (and they behaved like angels til bedtime), Mike & Katha, worn out and disgruntled, bundled them back in the car and headed home -- the kids finally falling asleep at Schoolcraft, just a few miles from home. The rest of the vacation (away from Birch Lake) will have to wait til later.

Kay and Bob Greenig have now reached the "plumb center" of their 6 week vacation at dear olde Birch Lake with the Jensen's. Pa and Ma hope the last three weeks go a little slower. Kay and Bob are looking forward to the Lake Dinner at Tannadoonah, this making their 3rd year to attend. We all enjoyed the dance at the Open House.

Sunday guests of the Machallecks were Bill & Berniel Butler of Niles, parents of Katha Machalleck. Swimming, boating and eating, plus playing with the grandchildren filled the day. Sure was confusing for Brian and Lori to have two sets of Grandparents present at the same time.

Guests of the Meringa's, cottage 54, for the weekend were Chuck and Myrtle Uhl of Jennison, Michigan and Aunt Ethel Cornell of Stanwood, Michigan. Highlight of the visit was attending the gas engine show at Boothill Ranch. Sunday guest was Viola Heitsman of Nottowa.

Announcing - A new arrival at cottage 53! Yup - a new girl is here to live with Inez Fergus and Jessie Huston - their sister, Florence B. Schenk, has moved here from Keokuk, Iowa and will be a permanent resident. Brother Fred, pulling a U-Haul, brought Florence and her belongings here Saturday and it took them all day Sunday, with the help of nephew Steve Huston to unload. Oh well, there's all winter to find a place to put it!

What a wonderful turnout we had at the first bingo held at the Yacht Club last Friday. John and I enjoyed putting it on and thank Herb and Drois Howard for their help. We'll have another one this Friday, the 10th, and hope to see even more there!
