Birch Lake Yacht Club Vandalia, Michigan July 15, 1978 Issue #6

ATTENTION, All Swingers and Elbow Benders!

Looking forward to a great turnout and great fun with prizes, food, and drink.

Please return to your chairman all tickets that have not been sold on Sunday, July 16th. The purpose for this deadline is to correctly tally the number of golfers and dinner guests. All donated prizes may be dropped off at Bob Vicsik's and/or Joe Harris'. Tee-Off time for the golfers is 12:00 noon, Michigan time. To facilitate a smooth tee-off, it would help to have your foursomes ready to roll.

Coctail Hour will be from 5:30 to 7:00 p.m., dinner following at the Yacht Club. The menu: Prime Rib, fresh green salad, jellied salads, macaroni bake, scalloped potatoes, baked beans Hawaiian, rolls, butter, and coffee.

Joe Harris, Chr.

P.S. Anyone wishing to donate some "Sweets" for desert will be most welcome. Thanks.

BOMBSHELL ! !

Your golf outing chrimman is sorry to announce that Mr. Barko, owner of Park Shore Golf Course called at 12:30 p.m. Tuesday, July 11, with the news that he was unable to procure the extra golf carts for our Outing. He has contacted every source known to him. No extra carts are available, having been contracted for as early as March. Mr. Barko has not experienced this before and apologizes - along with your chairman. I sincerely hope this announcemtn is not as disappointing to the golfers as it is to me.

Joe Harris

COMMENTS:

A boat has been seen hitting our sailing buoys. It was spotted on July 3. If it is seen again, we will take action on it. We do have the number and can report it to the sheriff.

Parents, you are responsible for your children. These buoys are expensive and come out of the Yacht Club money. If they are damaged beyond use, you will be billed for replacement. Thank you, Bob Vicsik, Fleet Captain

Will those individuals who have been serenading the lake residents about Iowa please stop & desist. It's disgusting, disgraceful, bad harmony & who cares about tall corn anyway?

"We Were Sailing Along....."

Patience and timing seemed to be the two major factors in Sandays sailing. For the wind couldn't decide whether to blow or to sit still. The races were long and hot, and sometimes tiring. But, there were many sailors out there battling the heat. It was great to see everybody out there and hope that they'll be out there from now on. Here are the results of the two races:

THE LEGEND OF THE DOGWOOD TREE

At the time of the Crucifizion, the dogwood tree was as large and strong as the oak, and was chosen for the timber for the cross.

ఇద్దరుతుర్ జరాగర్ అవరు To be used for this purpose distressed the tree, and Jesus in His pity, promised: "Never again shall you grow large enough to be used for a cross. Henceforth the dogwood tree shall be slender and twisted; its blossoms in the form of a cross ... two long and two short petals. At the edge of each petal there shall be nail prints; in the center of the flower, there shall be a Crown of Thorns. And this tree shall be ມະນີດີເຊັ່ງ ແລະ ເຊັ່ງ cherished as a reminder of My Cross."

So it has been, and the springtime flowering of the dogwood has remained a symbol of Divine Sa crifice and the triumph of Eternal Life.
