

TEEN ACTIVITY REPORT - Last Saturday evening 18 teens attended the 1st Teen party at the Yacht Club. We roasted hotdodge & marshmallows. Southside residents could probably hear the music too!! Thanks to Dave & Judy Olson for helping out. There is a video tape of this available if anyone wishes to see it! Watch the Barker for the next party date in July & plan to attend! We have some fun things planned.

Ken & Sally Everett.

Editors' comments: It seems there was an endless energy supply at the teen party and creative events taking place, like marshmallow fights! Ken & Dave made good firestarters but how were they at firefighting?! The adults sought refuge from the loud rock n'roll music by staying outdoors by the bonfire, preferring to listen to the loud crackling of wood burning!

**Did you know that. . . Cantaloupe rinds are valuable for the compost pile- they contain nearly 10% phosphoric acid & over 12% potash.

GOING OUT TO deliver Birch Barkers Saturday held all kinds of surprises! It seems the Cass County Road Dept. has 3 new members on the road crew - hope the pay is good Bill King, Don Harman, & Bob Ross! Here I thought Don was the "Chief of Bathroom Facilities", a man of many trades!!

Speaking of Don Harman, there could be something fishy going on in last Sunday's sailboat races! With Marti Athanas, Judy Olson, and Lynn Harman in the starters boat, was it coincidence (or not!) that Don placed 1st and 2nd in the races, (Tom Athanas came in somewhere around 7th position, and who knows where Dave placed!). Were there "strings attached" somewhere!

SWIM LESSONS. On July 7,8,9,& 10, and also July 14, 15, 16, 17, there will be swim lessons given in the afternoons at Donnell Lake sponsored by the Donnell Lake Assoc. Vicki Blough from the YMCA in Elkhart will be the teacher. If you are interested in having your child take swim lessons call Kathy Morse at 476-2752 for registration.

JOSH & CALEB WALKER were attending a Soccer Camp in South Bend for the week. Josh, 7 years old, plays soccer in a league during the school year and now his little brother will enter the competition!

"We hope that when the insects take over the world, they will remember with gratitude how we took them along on all our picnics."

PLEASE be patient and understanding with the kids from the camp if their canoe or boat should "wander" into your beach area as they are trying hard to learn the arts of paddling & rowing! We remember how tricky a canoe can be to get going in the right direction!

THE ROSSES, E101, can be seen spiriting around Birch Lake in that snazzy new speedboat they now have! (replacement for the boat that they lost several years ago)

VACATION MEANS . . . seeing Bob, Barb, Sabrina, & Laura Pence, S072, slowly gliding around Birch Lake in their electric-motorized rowboat!

IT APPEARS "J.R." Cranmer is digging for oil on the Westshore! If you hit it big "J.R." let us know!!

JUNE 30th was the 30th Wedding Anniversary of Dean & Phyllis Davis, W322! It was also the 2 year "A" of their daughter Kelly and her husband Jay Wilson. Congratulations to both couples!

Speaking of the Davis's . . soon they won't be residents of the Westside, as they have sold their cottage to a realator from South Bend and Dean and his family will be building a new year-round home on the Northside, on property just West of the Cleveland's cottage. We will miss having them on the Westshore!

**No insect has ears on its head.

I.T. & HELEN Bowers had a cottage full (& lake too) of happy people on Saturday! Among those enjoying the fun in the sun were their grandsons, Brian & Greg; their daughter Fran & her kids, Steve & Karen; their daughter Marge & husband Dave Kinner; and grand-daughter Marsha with her boys, Chris & Sean; and also Julie & Jim Rand's 2 kids, Jamie & Ryan. Hot & humid, what a great combination for fun at the lake!

LOUISE REITH, W301, has not started off her summer on the right foot (or left for that matter). Recently Louise had bone surgery on her left foot and has been recuperating from that, but to add to her troubles she has now broken (& crushed) her left hand in a boatlift related accident! You know she just had her new deck finished, well now she plans to make the best possible use of it for the duration of the summer.

SPENDING a long July 4th weekend with the Zesinger's are their daughter and son-in-law, Cindy & Joe Meyer, of Bensenville, IL. Other visitors include Bud's sister, Carol MacLean of Mishawaka, Bob Rhodes, Bud Zesinger, II, Judy Ruhe, and Sister Janice Wheaton of Kalamazoo, MI.

COMMODORE'S CORNER

Oh what a beautiful weekend. There were a lot of fishermen, skiers, sailers and pleasure boaters on the lake last weekend. It's nice to see the lake utilized to its utmost.

I want to thank Sally & Ken Everett and Judy & Dave Olson for putting on the Teen get-together. The teens enjoyed the food & music and are looking forward to the next activity for them. Thanks for doing a great job.

This weekend plan to watch the fireworks Friday night. Herm Kruggle reports that they are ready so sit back and enjoy a colorful and loud display. If you haven't sent in your donation for fireworks yet, please do so.

Our fleet captain, Harold Crammer has the 4th of July sailing regatta organized and ready to start at 10:30a.m. (IN) Saturday and Sunday. He expects anywhere from 15-20 sailboats out for the regatta. If you have a sunfish or MC plan to come out and sail. Everyone is welcome to join the fleet.

Nancy Walker and her committee are busy working on the pancake breakfast on Sunday. She is well organized, so plan to come to the Yacht Club with family & friends and enjoy a great breakfast served by your officers and directors.

On Saturday, July 19th at 11:00a.m. (IN) at the Yacht Club, Tony Groves will make his final Birch Lake water quality report. Everyone is invited to attend.

AROBICS CLASSES - Monday-Wednesday-Friday (9:00-10:00am-IN) Tuesday 6:30pm (IN) at the Yacht Club.

It was another great day for Sunfish racing thanks to our starters Lind Harman, Judy Olson, and Marty Athanas. Thanks again gals. We appreciate it.
