TRIATHLON UPDATE

A meeting for all participants and helpers for the Triathlon will be held at the Yacht Club at 6:00 PM (IN) on Friday, August 10th. More volunteers are needed, so if interested please attend this meeting.

The starting time is 9:00 AM at the Reynolds'. New Coy Jankowski Birch Lake T-Shirt for each participant. Trophies for winners.

BLYC CORN ROAST

Once again a part of our corn and sausage roast at the Yacht Club was successful due to the generosity of Kevin and Kristy Bullard. They again donated all of the delicious corn that everyone likes so well. A big thank you Kevin and Kristy from all of us who enjoyed the dinner.

LADIES LUNCHEON

The Ladies Luncheon was a great success. We almost filled the entire Hickory Inn as we ate lemon chicken and watched the girls from the Essenhaus model the latest fashions from the Clothes Line.

Colleen Garonetle, the new owner of the Hickory Inn, did a super job. Her girls moved furniture and even made special table decorations, just for us. She was also extremely flexible and understanding on our ever changing reservations. The next time you're in the Hickory, please mention the nice luncheon.

By the way girls, twelve handsome, young men wanted to join us for lunch, but I reluctantly turned them away. Oh, well - there's always next year!

Denny Weesner

Editors note: A big thank you to Denny Weesner and Angie Lovejoy for all your hard work organizing the luncheon. It was great!!

AEROBICS

Friday, August 17th will be the last day of Aerobics for the 1990 summer. We've had a nice turnout this year. If you haven't been able to make it you still have one more chance this coming Monday-Wednesday-Friday at 9:00 AM Indiana time at the Yacht Club. Anyone who has attended class at least once is invited to the annual Mexican Aerobic Luncheon at noon on Friday, August 17th at Claudia Gableman's home. Just bring any Mexican dish to pass around. If you can't make it, don't forget to exercise over the winter and see you in '91.

REMINDER

Camp Tannadoonah's final Council Fire of the summer will be held on Friday, August 10th with the traditional candle-lighting ceremony down at the lake. This will take place approximately at 8:30 PM (Indiana time).

FUEL SAVING TIPS

Maintenance:

1. Keep engine well tuned.
2. Use correct propeller and check it for damage. A nicked or bent propeller slows down the boat and may damage the engine.
3. Be sure engine matches boat. Check mounting for proper tilt.
4. Use proper oil mix in motor. Pour fuel carefully. Reset cap tightly. Keep vent screws closed when not operating to prevent evaporation. Don't overfill to allow for heat expansion.
5. Keep hull clean to reduce friction.

On the water:

1. Drain all water before starting out.
2. Distribute weight properly. Unload excess gear. Don't overload with passengers.
3. Shut off engine when at dock or at rest.
4. Make fewer turns--they increase motor load.
5. Plane smoothly and quickly at take-off, then throttle back to three-fourths when boat is planed. Most boats operate as well at three-fourths throttle and use half as much fuel. Also applies to water skiing.
6. Plan fishing spots ahead of time. Use trolling motor for minor changes in location.
