COMMODORE COMMENTS

Due to the seemingly usual rainy weather on weekends, the Birch Lake Triathlon was postponed from Saturday to Sunday. At 9:00 AM the Triathlon began with 7 teams and 2 individuals participating. Each participant was a winner and was presented with a trophy donated by Dan and Janet Reynolds. In addition, each participant received a new Birch Lake T-shirt.

I hope everyone had the pleasure of enjoying the closing candlelight ceremony at Camp Tannadoonah last Friday evening. It was great!

See you at the Fall Dinner, Saturday, August 25th. Buy your tickets early please.

BIRCH LAKE SHIRTS

Those who have ordered Birch Lake shirts can pick them up at Reynolds (8877).

Extra shirts and sweatshirts are available.

FOUND

A female dog (approx. 2 years) was found on the North shore. She is part collie and shepherd. Special features are bobbed tail, reddish brown, white neck and paws. Also is very friendly. If you are the owner or know who they are please call Lutz's at 476-2153 or 483-2098.

AERIAL PHOTOGRAPH

An up to the minute report on the Birch Lake aerial photograph for the benefit of Camp Tannadoonah reveals a to-date donation of \$1215.00. Mrs. Jo Murphy, camp director, states that the funds made available from the sale of the aerial photograph are being applied toward the general capital improvement fund for the camp--new shower facility, hot water, and all of the little niceties we all take for granted. I think we all have very strong feelings about Camp Tannadoonah and appreciate what they are doing for our young people. They need our support.

Prints of each size (11x14" at \$35.00 and 16x20" at \$50.00) are still available from Bruce Harlan, 14886 Birch Lakeshore Dr., 476-9714.

SAILBOATS - RULES OF THE ROAD

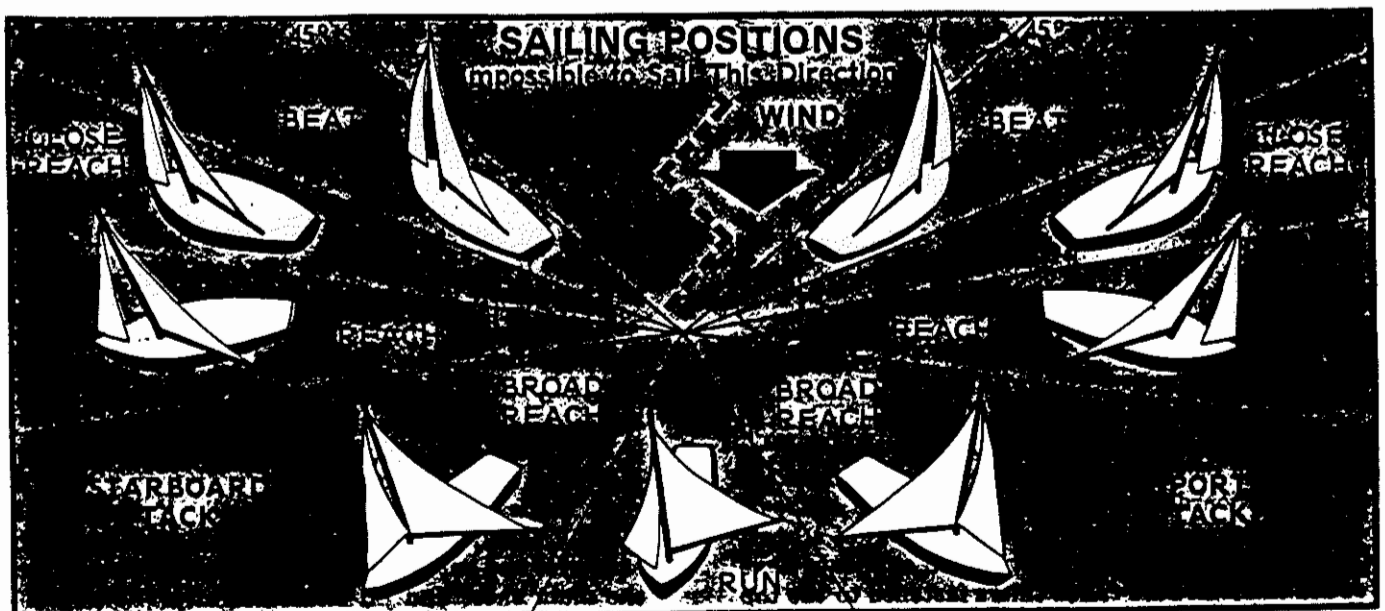

In 1980, The Inland Navigational Rules were rewritten to unify and modernize the procedures for preventing collisions on U.S. inland waters. The revised rules went into effect in December 1981. Previously, several different sets of rules existed, including many conflicting regulations. An effort was made to make the new Inland rules agree with existing International rules.

Major changes were made in the Inland rules governing the meets of two sailboats. When sailboats approach one another, the give-way (burdened) vessel must stay clear of the stand-on (privileged) vessel. The following rules determine which boat is the stand-on vessel in a meeting situation and, consequently, has the right-of-way.

1. If both boats are on opposite tacks, the boat on the port tack gives-way to the boat on the starboard tack.
2. If both boats are on the same tack, the boat to windward must keep out of the way of the boat to leeward. In other words the boat farthest from the direction from which the wind is blowing has the right-of-way.

There are also rules of the road sailors must know to avoid collisions with other types of boats. Generally, boats under sail have the right-of-way over motorboats, unless they are the overtaking vessel. If a boat is operating with both sail and power, it is classified as a motorboat.

Some meeting situations call for common sense. For instance, sailors should keep out of the way of large power boats. Sailboats should not change course when meeting motorboats. This makes it more difficult for the motorboat to pass safely.

GARDEN WALK

The South Bend Women's Art League is holding their annual GARDEN WALK on Wednesday, September 12 (rain date September 13) from 11:00 am to 7:00 pm (Indiana). Tour map and tea at Erskine Golf Club House, 4200 Miami in South Bend. There are 6 beautiful gardens on the tour for your pleasure. Tickets are obtainable from Juanita Harlan, 14886 Birch Lakeshore Drive (476-9714).

VISITOR

BABY GIRL

A baby girl was born to Doctors Jim and Kathy (Green) Pawlak of Sheboygan, Wisconsin. She weighed 7 lbs. 11 oz. and arrived on August 9th. The proud grandparents are Dick and Barbara Green (Southside) who are now visiting their new granddaughter. Congratulations!

RAIN - RAIN - RAIN

Regarding the "doings" in the Cove during the past week, August 5 - 12 the incessant rains produced the same effect as probably occurred in Noah's Ark. About all that we know of those forty days with all those animals aboard ---- well, you the readers fill it in.

SANDERS FAMILY

Ray and Sonia Sanders had a steady stream of family with them recently. Sonia's brother and his wife, Wally and Dotty Korzin stopped enroute home to No. Ft. Meyers, Florida.

Jim and Lisa (Sanders) Lyles made their annual pilgrimage from Boston, MA.. Sandwiched in between projects Ray and Sonia had for them they enjoyed golf, shopping, water skiing and sailboarding. They were hoping for more wind for the latter.

Dave and Nina (Sanders) Frurip, Emily 7, Diana 4, Caroline 2 of Midland, MI. were here for a long weekend to enjoy all the lake has to offer plus celebrating Carolines 2nd birthday.
