COMMODORES' COMMENTS

May 30, 1998
Issue 1

I was just about to take credit for the weather this season! Oh well!

The weather has certainly been wonderful overall this spring. It was a great day for Spring Road Clean-up, and thanks to Dick Bender, Bob and Sue Waddle, Vicki Rogers, Patti Russwurm, and Linda Curtis for your help on the road cleanup.

Scott and Neal Troeger handled the outdoor chores at the Yacht Club except for one unexpected job. Over the winter a tree decided to lay down and rest itself on the Club. Anyone with the tools, muscle, and willingness to cut and clean this up please call me at 9339.

I am excited to announce that the Board has agreed to the following Yacht Club building improvements:

1. Wooden deck, to give people a nice place to stand outside of the Club.
2. Addition of a second, large air conditioning unit. Cool...

Thanks to Rick Russwurm for his time and energy in seeing this work to it's completion.

This summer is certain to be a memorable one!

In order to avoid run-on of the Commodore's Comments please take note of the following:

- Need volunteers for July 4th Boat Parade and Barker delivery.
- Homeowner's meeting date has been changed to August 15, 10am BYLC.
- Birch Lake towels are still available @ \$25 per towel. Call me at 9339 with your orders.
- Anyone interested in being a shore reporter? Call your Commodore.
- Donations for the BLYC improvement fund.
