LEGEND

A letter before a number indicates the side of the lake on which the property is located or the name of the special area where located.

For example: N-275 (Camp Tannadoonah) shows the property located on the NORTH side of Birch Lake and is property #275. See map for the direction of numbering properties.

The number C290 indicates property located on the Cove (Woodland Cove) along the private road on the east side of the Cove.

The number H-16 shows the property located on the east side of Birch Lake, on the "Hill" as shown on the map.

This directory comes to you thru the courtesy of the Birch Lake Yacht Club. A special thanks to Dick Cowen who has spent many hours updating the listings and transferring information to IBM data cards, and to Le and Bill King, Connie and Earl Troeger for securing current changes via the Spring Dinners, and all of the Directors who made last minute verifications, and, of course, to Dorothea and Don Coleman for the seemingly endless task of cutting the stencils for printing.
